Missouri State
UNIVERSITY

Storm Water Management for Educators

We will discuss the importance of storm water management and engineering and its application in the classroom. We will spend some time on campus, but this course will involve much field work.

June 17 and 18, 2014

June 17—9:00 a.m. to 5:00 p.m.

June 18—9:00 a.m. to 5:00 p.m.

Class will meet at MSU in KGSX Building, Rm.219
You may either simply attend for \$10 OR take this for MSU credit—MSU course fees and assignment required

Specific information will be e-mailed to those enrolled in the class before it starts.
